

Here are driving directions to Sockeye as we are currently surrounded by a construction war-zone.

## Sockeye Creative

*Sockeye is now located in the Leftbank Project right by the Rose Quarter, at the east end of the Broadway Bridge—which is currently closed. We are surrounded by street car rail construction, so getting here is tricky right now.*

#### I-5 SOUTH

It is best if you can approach from the North on I-5 South, taking the Rose Quarter exit. From the off-ramp, turn right heading West onto Broadway. Our building is immediately on your left, but you probably have to go down Broadway a couple of blocks to find a break in the construction to turn around and come back up Broadway/Wiedler.

#### I-5 NORTH

From I-5 North, take the Rose Quarter exit. From the off ramp, go straight, stay on Victoria and cross Weidler. Go one block and turn Left on Broadway. Go three blocks and the Leftbank will be on your left. Again, you probably will have to go down Broadway a couple of blocks to find a break in the construction to turn around and come back up Broadway/Wiedler.

#### PARKING

Parking is on-street on Wheeler in front of the cafe or in the paid surface lot.
